ITEM-1: ROLL CALL.

ITEM-10: INVOCATION.

ITEM-20: PLEDGE OF ALLEGIANCE.

SPECIAL ORDERS OF BUSINESS

ITEM-30: Mr. Abdur-Rahim Hameed Day.

DEPUTY MAYOR STEVENS' RECOMMENDATION:

Adopt the following resolution:

(R-2003-582)

Commending Mr. Abdur-Rahim Hameed for his contributions and dedication to the City of San Diego;

Proclaiming November 18, 2002 to be "Mr. Abdur-Rahim Hameed Day" in San Diego.

SPECIAL ORDERS OF BUSINESS

ITEM-31: Girl's Summit Day.

COUNCILMEMBER MAIENSCHN'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-411)

Proclaiming November 22, 2002 to be “Girl’s Summit Day” in San Diego.

SUPPORTING INFORMATION:

Various agencies, government officials and community leaders in San Diego have recognized the importance of issues faced by girls in our city from age 10-20. These leaders have formed a working committee to sponsor a conference to address these issues. The Girls' Issues Group believes the state of health and well-being among the 300,000 girls ages 10-20 in San Diego County are in need of attention. More than one in five high school girls report sexual or physical abuse. Self-confidence and health ratings decline in high school for girls. The local Youth Risk Behavior Survey conducted by the San Diego Unified School District revealed that in 2001, 14% of girls attempted suicide. The Girl's Issues Group is hosting the Girl's Summit 2002 on November 22, 2002 to raise awareness of girls' issues among service providers. The City of San Diego supports Girl's Summit 2002 through obtaining a 20% discount in the cost of the San Diego Community Concourse for the Summit.

REQUESTS FOR CONTINUANCE

The Council will now consider requests to continue specific items.

CONSENT ITEMS

The following listed items are considered to be routine, and the appropriate Environmental Impact Reports have been considered. These items are indicated on the docket by a preceding asterisk (*).

ORDINANCES INTRODUCED AT A PREVIOUS MEETING, READY FOR DISPENSING WITH THE READING AND ADOPTION:

Items 50.

ORDINANCES TO BE INTRODUCED:

Items 51, 52, and 53.

RESOLUTIONS TO BE ADOPTED:

Items 100, 101, 102, 103, 104, 105, 106, 107, 108, 109, 110, 111, 112, 113, 114, 115, 116, 117, 118, 119, 120, 121, 122, 123, 124, 125, 126, 127, 128, 129, 130, 131, 132, 133, 134, 135, 136, 137, 138, 139, 140, 141, 142, 143, 144, 145, and 146.

ADOPTION AGENDA, CONSENT ITEMS

ORDINANCES INTRODUCED AT A PREVIOUS MEETING, READY FOR DISPENSING WITH THE READING AND ADOPTION:

- * ITEM-50: Approval of Ordinance amending the San Diego Municipal Code related to FY 2003 Negotiated Retirement Benefit Enhancements.

CITY COUNCIL'S RECOMMENDATION:

Adopt the ordinance which was introduced on 10/21/2002 (Council voted 9-0):

(O-2003-67 Cor. Copy)

Amending Chapter II, Article 4 of the San Diego Municipal Code by amending Division 2 by amending Section 24.0201; by amending Division 3 by amending Section 24.0301; by amending Division 4 by amending Section 24.0402; by amending Division 5 by amending Section 24.0501; by amending Division 8 by amending Section 24.0801, and by Renumbering Section 24.0803 as Section 24.0802; by amending Division 12 by amending Sections 24.1201, 24.1202, 24.1203 and 24.1204; by amending Division 15 by amending Section 24.1507; all relating to the San Diego City Employees' Retirement System.

ADOPTION AGENDA, CONSENT ITEMS

ORDINANCES TO BE INTRODUCED:

- * ITEM-51: Approval of Ordinance amending San Diego Municipal Code related to FY 2003 Negotiated Retirement Benefits.

CITY MANAGER'S RECOMMENDATION:

Introduce the following ordinance:

(O-2003-74)

Introduction of an Ordinance amending the San Diego Municipal Code by amending Division 13 by amending Sections 24.1310 and 24.1312; by amending

Division 14 by amending Sections 24.1402, 24.1403, and 24.1404; all relating to the San Diego City Employees' Retirement System.

CITY MANAGER SUPPORTING INFORMATION:

As a result of the recent contract negotiations with the Police Officers' Association, Fire Fighters Local 145, Municipal Employees Association, and AFSCME, Local 127, the City Management Team agreed to implement a number of revisions to the Retirement System. Ordinance O-2003-67 was introduced at the October 21, 2002 meeting of the City Council which amends the San Diego Municipal Code to reflect the majority of the revisions to the Retirement System negotiated during the FY 2003 Meet and Confer process.

However, Ordinance O-2003-67 did not include the revisions to the Retirement System (SDCERS) giving Members represented by Fire Fighters Local 145 the ability to convert Annual Leave accrued after July 1, 2002 to service credit in SDCERS or extend their participation in the System's Deferred Retirement Option Plan ("DROP").

Ordinance O-2003-67 did not include a revision to the Retirement System removing the current prohibition against counting a purchase of service credit made pursuant to the General Provision for Five Year Purchase of Creditable Service set forth in San Diego Municipal Code Section 24.1312 towards the ten year vesting requirement set forth in Section 141 of the San Diego City Charter. This action will remove the prohibition and allow the purchase of creditable service to apply towards the ten year vesting requirement.

Effective July 1, 2002, represented Members in the Local 145 bargaining unit who have not yet entered DROP will be allowed to convert the cash equivalent of their Annual Leave accrued after July 1, 2002 to service credit in SDCERS or extend their DROP participation period.

Represented Members in the Local 145 Bargaining Unit will no longer be able to exercise any cash out feature of Annual Leave accrued after July 1, 2002. Represented Members in the Local 145 bargaining unit who have balances of Annual Leave accrued after July 1, 2002, will be allowed to extend their DROP participation period beyond the five year maximum by that amount of post July 1, 2002 Annual Leave still available and not converted to service credit prior to entering DROP. A vote of the Retirement System Members to approve these changes in this ordinance affecting Member benefits will take place from November 2002 through December 2002.

FISCAL IMPACT:

The conversion of Annual Leave to service credit in the Retirement System or extension of the Member's DROP participation period may result in an increase to the Retirement System's unfunded liability and a corresponding increase to the City's contribution rate over and above the scheduled rates in the Manager's Proposal.

The amount of any increase to the System's unfunded liability and City's contribution rate will depend upon the usage of Annual Leave accrued after July 1, 2002 that is converted to service credit in the Retirement System or to extend the Member's DROP participation period. There is

no fiscal impact associated with the provision allowing 5 year purchase of service.

ADOPTION AGENDA, CONSENT ITEMS
ORDINANCES TO BE INTRODUCED:

* ITEM-52: Office Space Sublease - Police Department Harbor Patrol Unit.

(Mission Bay Community Area. District-2.)

CITY MANAGER'S RECOMMENDATION:

Introduce the following ordinance:

(O-2003-77)

Introduction of an Ordinance authorizing the City Manager to execute a Sublease agreement with WESCO Sales Corp., for the sublease of approximately 1,175 square feet, at a total monthly rental rate of \$1,685.95, for an initial term of five (5) years with the option of two (2) additional three (3) year extensions;

Authorizing the City Auditor and Comptroller to expend an amount not to exceed \$15,173.55, plus applicable CAM charges, from Police Department Fund 100 for FY2003.

NOTE: 6 votes required pursuant to Section 99 of the City Charter.

CITY MANAGER SUPPORTING INFORMATION:

The Police Department Harbor Patrol Unit provides policing enforcement for land and water at Mission Bay Park and has been located at Hospitality Point in Mission Bay Park since March 1986. During this period the Harbor Patrol Unit has occupied a temporary trailer facility for office space with portable restrooms. The Police Department has been in search of suitable office space that also provides convenient access to Mission Bay. As a result of the redevelopment at Dana Landing adequate office space has been located that also provides the desired water access. The sublease space will accommodate general office for law enforcement, related community activities and programs.

The Police Department is proposing to sublease the space under the following terms:

TERM-Five (5) years. Commencing October 1, 2002 or upon completion of tenant improvements, terminating September 30, 2007 or five (5) years from commencement date.
RENT-\$1.10 per square foot or \$1,292.50 per month base rent. Rental rate is less than similar commercial space in the area. The base monthly rent will be adjusted upwards on the sublease anniversary date by two (2) percent. The monthly rent of \$1,292.50, plus \$393.45 that will be

paid for tenant improvements amortized over the Sublessee's initial five-year lease term, total \$1,685.95 per month for the first year of the sublease agreement.

USE-General office for law enforcement, related community activities and programs.

SIZE-1,175 square feet.

OPTION TO EXTEND-The City has the option to extend the sublease for two additional three (3) year periods.

FISCAL IMPACT:

\$15,173.55 will be paid from Police Department Fund 100 for the FY2003.

ADOPTION AGENDA, CONSENT ITEMS

ORDINANCES TO BE INTRODUCED:

* ITEM-53: Office Space Lease - Police Department.

(Navajo Community Area. District-7.)

CITY MANAGER'S RECOMMENDATION:

Introduce the following ordinance:

(O-2003-78)

Introduction of an Ordinance authorizing the City Manager to execute a lease agreement with CTF-I Mission, LLC, for the lease of approximately 3,828 square feet, at the initial monthly rental rate of \$5,742, for a term of five (5) years;

Authorizing the City Auditor and Comptroller to expend an amount not to exceed \$57,420, from Police Department Fund 100 for FY2003.

NOTE: 6 votes required pursuant to Section 99 of the City Charter.

CITY MANAGER SUPPORTING INFORMATION:

The Police Department has been leasing space at 3033 Fifth Avenue, Suite 205, since October 1998 as general office use by the Event Development and Management Unit (EDMU - formerly IACP). The lease terminates at their current location October 31, 2002. EDMU is seeking to co-locate with other units from the Special Services Division of the Police Department. A larger space at a more central location was found at 6151, Suite 205, and 6153, Suite 230, Fairmount Avenue in the Mission Gorge area. The lease space will accommodate general office administration for stadium event planning, special event planning, volunteer services, and critical

incident management.

The Police Department is proposing to lease the space under the following basic terms:

TERM-Five (5) years. Commencing September 1, 2002, terminating August 31, 2007.

RENT-\$1.50 per square foot or \$5,742 per month. Rental rate is less than similar commercial space in the area. The base monthly rent will be adjusted on the lease anniversary date upwards by \$0.05 per rentable square foot.

USE-General office administration for law enforcement.

SIZE-3,828 square feet.

FISCAL IMPACT:

\$57,420 will be paid from Police Department Fund 100 for FY2003.

* ITEM-119: Conflict of Interest Code for the Park and Recreation Board.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-471)

Adopting the revised Conflict of Interest Code for the Park and Recreation Board.

CITY MANAGER SUPPORTING INFORMATION:

Government Code Section 87306.5 of the Political Reform Act requires that the City Council, on or before July 1 of every even-numbered year, direct all city departments and agencies to review their conflict of interest codes and either amended the code or provide a written report to City Council indicating that no amendment is necessary. The amended code or report must be submitted no later than October 1. Additionally, San Diego Municipal Code Sections 26.0104, 26.0105, and 26.0106 set forth the requirements for review and adoption of conflict of interest codes for the City's boards and commissions. The Park and Recreation Board has reviewed its code and has revised the Disclosure Categories to be more definitive of the Board's scope and to reflect changes in the Departmental organization.

* ITEM-132: Conflict of Interest Code for the Water Department, Amendment No. 11.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-478)

Adopting the revised Conflict of Interest Code for the Water Department.

CITY MANAGER SUPPORTING INFORMATION:

The Political Reform Act of 1974 (Government Code Section 87300, et. seq.) requires all agencies to prepare and submit for approval a Conflict of Interest Code to the City Council. On April 27, 1977, Council approved the Conflict of Interest Code for the Water Department.

The Conflict of Interest Code has been amended eleven times to reflect organizational changes. This amendment again updates Appendix A of the Code. This appendix lists the duties and categories of those designated positions, the incumbents of which are required to submit Conflict of Interest Statements. Several organizational changes render Appendix A obsolete. This amendment changes Appendix A of the Code. However, there are no needed changes to Appendix B.

This revision is intended to conform to Government Code 87306.5 requiring biennial review and update of local conflict of interest codes. Employees filling new positions designated as having potential conflicts of interest were afforded the opportunity to review and comment on this amendment.

FISCAL IMPACT:

None with this action.

**ADOPTION AGENDA, CONSENT ITEMS
RESOLUTIONS:**

* ITEM-133: Two actions related to Approval of Agreements on SDCERS Board
Indemnification & City SDCERS Employer Contributions.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolutions:

Subitem-A: (R-2003-390)

Declaring that the City of San Diego agrees to defend, indemnify and hold harmless the members of the Board of Administration for the San Diego City Employees' Retirement System in the performance of their duties.

Subitem-B: (R-2003-661)

Authorizing the City to enter into an agreement with the San Diego City Employees' Retirement System regarding employer contributions.

CITY MANAGER SUPPORTING INFORMATION:

Board Indemnification: Section 141 of the San Diego City Charter created the San Diego City Employees' Retirement System (SDCERS). Section 144 provides that SDCERS be administered by a thirteen (13) member governing board known as the Board of Administration (Board), which includes three members elected by the General Members of SDCERS, one member elected by the retirees of SDCERS, two members elected by the Safety Members of SDCERS, one Police, one Fire, respectively, three ex-officio members: City Manager, City Auditor, and City Treasurer, and four citizen members, one of which must be an officer of a local bank, are appointed by the Council and serve without compensation. Charter Section 144 grants the Board the sole authority to determine the rights and benefits eligibility from SDCERS, administer SDCERS, and invest the SDCERS trust fund; SDCERS Board Members may, from time to time, be subjected to claims and suits for actions taken in their capacity as such.

Due to the need to protect and encourage individuals who volunteer their time and their talent to serve in the public interest, approval of the resolution provides that the City shall defend, indemnify and hold harmless all past, present and future members of the Retirement Board against all expenses, judgments, settlements, liability and other amounts actually and reasonably incurred by them in connection with any claim or lawsuit arising from any act or omission in the scope of the performance of their duties as Board Members under the Charter.

Employer Contributions: On June 7, 1996, the City proposed and the SDCERS Board of Administration ("Board") agreed to the City Manager's Retirement Proposal, as modified, ("Manager's Proposal") dated July 21, 1996. The Manager's Proposal sets out agreements between the City and SDCERS with respect to contributions to be made by the City to SDCERS starting in Fiscal Year 1996. As a result of the recently concluded meet and confer process, the City and the Board recognize that under the current method of determining City contributions to SDCERS, the annual level of contributions has the potential to become volatile and SDCERS' funding ratio has decreased in recent years. The City and the Board also recognize that, under current fiscal circumstances, undue hardship would be imposed on the City if the Board were to require that the City immediately increase its contributions to the full projected unit credit rate calculated by SDCERS' actuary. In response to those concerns, on June 18, 2002, the City requested the Board agree to an amended Manager's Proposal. On July 11, 2002, the Board approved modifications to the Manager's Proposal. This Agreement is entered into in order to provide a transition period for City contributions to be brought, by Fiscal Year 2009, to the full contribution rates that would be applied if the projected unit credit funding method were used, to provide accelerated contributions by the City if SDCERS' funding ratio goes below 82.3% before the end of the term of this Agreement, and to terminate all transition arrangements regarding

contributions with the City at the end of Fiscal Year 2009. The attached agreement describes the current and proposed contribution arrangements.

* ITEM-134: Consultant Selection - City of San Diego Annual Independent Auditor.

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-642)

Authorizing the City Manager to execute an agreement with Calderon, Jaham, and Osborn, for the purpose of conducting the City's annual independent audit for Fiscal Year 2002-2003 and granting four, one-year extensions under the agreement.

CITY MANAGER SUPPORTING INFORMATION:

A Request for Proposal (RFP) was issued on August 6, 2002 for Independent Auditor Services to the City of San Diego and its related entities for Fiscal Years 2002 - 03 through 2006 - 07. In accordance with Council Policy 300-7, the RFP was advertised in the San Diego Daily Transcript, La Prensa San Diego, and Voice and Viewpoint for the period of August 8, 2002 through August 15, 2002. In addition, the RFP was sent directly to 25 local and regional California accounting firms, posted on the City's website, and posted at several other locations such as the Asian Business Association and the San Diego Hispanic Chamber of Commerce.

A diverse selection committee consisting of seven members including representatives from the City, Data Processing Corporation, Centre City Development Corporation, Convention Center Corporation, and the County of San Diego reviewed four proposals and interviewed two finalists (Calderon, Jaham, and Osborn and Moss, Levy and Hartzheim). The committee recommends that Calderon, Jaham, and Osborn be retained to provide independent audit services to City and its related entities. Calderon, Jaham, and Osborn has been the City's independent auditor for the contract period Fiscal Year 1992-1993 through Fiscal Year 2001-2002. The firm has provided excellent service to the City and its related entities during these past ten years and was determined by the committee to be the most qualified to continue providing these services.

FISCAL IMPACT:

Total cost will not exceed \$304,946 for the first year of the contract and will be paid from the Annual, Audit program in Citywide Expenditures (\$102,972), Water Fund (\$17,346), Sewer Fund (\$36,684), Retirement Fund (\$1,785), Stadium Operating Fund (\$387), Public Facilities

Financing Authority Expense Fund (\$190), Ballpark Facility (\$1,011), Open Space Facilities District 1 (\$3,298), Facilities and Equipment Leasing Corporation (\$3,298), Metropolitan Transit District Board (\$3,298), Automated Regional Justice Information Fund (\$3,900), San Diego Geographic Information Source (SanGIS) (\$5,900), San Diego Medical Services Enterprise, LLC (\$13,000), Convention Center Corporation (\$24,074), Housing Commission (\$39,303), Data Processing Corporation (\$18,000), Redevelopment Agency (\$15,000), Centre City Development Corporation (\$5,000), Southeastern Economic Development Corporation (\$4,000), and Abandoned Vehicle Abatement Authority (\$6,500).

* ITEM-135: Easements for Miramar Filtration Plant Early Start Improvements.

(Scripps Ranch Community Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-621)

Authorizing the City Manager to expend an amount not to exceed \$6,000 from Fund 41500, CIP-73-284.1, for the acquisition of required water and electrical easements, and for the appraisal, title, escrow, labor and miscellaneous costs associated with the acquisition of the property rights required for the Miramar Filtration Plant Early Start Improvements Project, Phase I.

CITY MANAGER SUPPORTING INFORMATION:

The Miramar Water Treatment Plant Early Start Improvements Phase I represents initial improvement components outside Miramar Water Treatment Plant perimeter necessary to achieve the expansion of the plant from 140 million gallon per day (MGD) to 215 MGD. The project entails the installation of various water distribution system pipelines to provide redundancy and increased capacity to the existing distribution system. The subject water easement is required to allow for connection to be made to an existing water main, which lies within an existing easement area. Additionally, the electrical easement is required to accommodate the installation of a cathodic protection system, to protect the line from corrosion.

In order to avoid costly construction delays, on the merits of an Encroachment Removal Agreement granted by the property owner, San Diego City Schools, the pipe installation and electrical connection work was completed in the Spring of 2002. On September 24, 2002, the

School board passed a Resolution of Intention, to approve the granting of the easement rights in perpetuity.

Approval of the requested action will allow for the acquisition of the required water and electrical easements.

FISCAL IMPACT:

Funds in the amount of \$6,000 are available in Fund 41500, Miramar Filtration Plant Upgrade and Expansion - Early Start, CIP-73-284.1.

* ITEM-136: Vacation of a Sight Visibility Easement in Map 13760.

(Otay Mesa Community Area. District-8.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-583)

Vacation of a sight visibility easement in Map 13760 to unencumber this property under the procedure for the summary vacation of public service easements, Section 8330 et seq. of the California Streets and Highways Code.

CITY MANAGER SUPPORTING INFORMATION:

City Council action is requested to vacate a sight visibility easement in Map-13760. This property is located in the Otay Mesa Planning area within Council District 8. The sight visibility easement was granted to the City in 1999 based on a traffic study for a portion of Dennery Road. A revised traffic plan was submitted to the City and a new sight visibility easement was granted, making the old easement unnecessary. The Traffic Section of the Development Services Department has reviewed the vacation request and recommends approval. This easement was acquired at no cost to the City.

City staff recommends approval of the easement abandonment.

FISCAL IMPACT:

None, all costs have been paid by the applicant.

* ITEM-137: Sandburg Neighborhood Park Tot Lot Improvements.

(Mira Mesa Community Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-638)

Authorizing amendment of the Fiscal Year 2003 Capital Improvements Budget by increasing CIP-29-410.0, Sandburg Neighborhood Park Tot Lot Improvements, in the amount of \$82,722 from Fund No. 79006, Mira Mesa Public Facilities Benefit Fund;

Authorizing the City Auditor and Comptroller to appropriate and expend an amount not to exceed \$82,722 from CIP-29-410.0, Sandburg Neighborhood Park Tot Lot Improvements, from Fund No. 79006, Mira Mesa Public Facilities Benefit Fund, in the amount of \$82,722, for the purpose of park improvements.

CITY MANAGER SUPPORTING INFORMATION:

This project will provide for playground improvements at Sandburg Neighborhood Park, located in the community of Mira Mesa.

The five acre park was originally developed in 1984. Since that time, due to damage or non-compliance with current safety standards, all playground equipment has been removed from the park. By State law, all public play areas must conform to the Consumer Product Safety Commission and American Society of Testing Materials Guidelines. Additionally, play areas are to be made disabled accessible in compliance with Americans with Disabilities Act Guidelines and the State of California's Title 24.

During the past several years, neighborhood residents worked with City staff to revise the General Development Plan (GDP) for the park, which provides for upgraded facilities. The GDP was approved by the Park and Recreation Board on March 16, 2000. The proposed upgrades will implement a portion of the revised GDP, and are required to bring the tot lot into full compliance with State and Federal safety and accessibility guidelines.

On August 7, 2002, bids were received for construction for the tot lot improvements. The low

bid was \$273,518, 39% over the consultant's estimate of probable cost of \$196,842. Appropriation of \$82,722 to the project will enable the award of a construction contract to the low bidder and construction to commence most expeditiously.

FISCAL IMPACT:

Funds in the amount of \$82,722 are available in the Mira Mesa Public Facilities Benefit Fund, Fund No. 79006, for this purpose. Currently, funds in the amount of \$265,389 have been appropriated to CIP-29-410.0, Sandburg Neighborhood Park Tot Lot Improvements by previous Council action. Appropriation of the requested \$82,722 will increase the total project cost to fully fund the project.

* ITEM-138: Peñasquitos Creek Neighborhood Park Tot Lot Upgrade Project.

(Mira Mesa Community Area. District-5.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-616)

Authorizing and directing the City Auditor and Comptroller to transfer \$30,000 from the Black Mountain Ranch Development Agreement funds, Fund No. 392190 to CIP-29-416.0, Peñasquitos Creek Neighborhood Park, to upgrade the existing Tot Lot to comply with current safety and maintenance standards as well as meeting the American with Disabilities Act (ADA) requirements;

Authorizing the City Auditor and Comptroller to expend an amount not to exceed \$30,000 from CIP-29-416.0, Peñasquitos Creek Neighborhood Park, for the purpose of constructing the Peñasquitos Creek Neighborhood Park Tot Lot Upgrade project to augment previously authorized expenditures;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION:

The scope of this project is to upgrade the existing Tot Lot to comply with current safety and

maintenance standards as well as American with Disabilities Act (ADA) requirements. The funding authorized by this Council Action will supplement funding previously authorized to construct the project. The design of the project is 100% complete. Currently the project is out to bid.

The additional funds will be used to meet increased costs for playground equipment, to complete “path of travel” construction work (including upgrading the ramp and parking stalls) to meet the current Americans with Disabilities Act (ADA) requirements, and to administer and close out the project.

FISCAL IMPACT:

The estimated total project cost is \$180,000; of this amount, \$150,000 has been previously authorized. The additional \$30,000 is available from the Black Mountain Ranch Development Agreement fund, Fund No. 392190.

* ITEM-139: Pipeline Rehabilitation in the ROW Phase A - Change Order #1.

(See memorandum from Scott Tulloch dated 10/2/2002.)

TODAY'S ACTION IS:

Adopt the following resolution:

(R-2003-632)

Approving Change Order No. 1, with Insituform Technologies, Inc. to rehabilitate an additional 680 feet of trunk sewer;

Authorizing the expenditure of an amount not to exceed \$433,000 from Fund 41506, provided that the City Auditor first furnishes one or more certificates demonstrating that the funds necessary for expenditure are, or will be, on deposit in the City Treasury;

Authorizing the City Auditor and Comptroller, upon advice from the administering department, to transfer excess budgeted funds, if any, to the appropriate reserves.

NATURAL RESOURCES AND CULTURE COMMITTEE’S RECOMMENDATION:

On 10/9/2002, NR&C voted 5 to 0 to approve and direct staff to report back to the Natural Resources and Culture Committee within sixty days on the following issues: A) How many CIP Contracts went above the City Engineer's estimate in the past year. Include dollar amount and CIP projects from the following City Departments: Water, Metropolitan Wastewater, and Engineering and Capital Projects. B) Comprehensive report of the CIP process. Include feasibility of increasing design-build contracts and other bid options to help address escalating costs. (Councilmembers Peters, Wear, Frye, Madaffer, and Inzunza voted yea.)

CITY MANAGER SUPPORTING INFORMATION:

The Pipeline Rehabilitation in the ROW and Easements, Phase "A" Contract is in the process of rehabilitating 26 miles of sewer mains. On October 10, 2001 the City Council authorized Resolution Number R-295526 to execute a construction contract with the lowest responsible bidder and the contract was awarded to Insituform Technologies, Inc for \$11,965,336.

This request is for Change Order #1 to rehabilitate an additional trunk sewer. The developers of the La Jolla Crossroads and La Jolla Commons projects exposed an existing 48" RCP trunk sewer. MWWD was notified that the interior lining of the pipe had separated from the host pipe. MWWD inspected the pipe and determined that 680 LF of new liner is required to maintain the integrity of the trunk sewer. This trunk sewer will be located 40 feet below the proposed La Jolla Crossroads Hotel. It is requested that this work be added to the scope of the Phase "A" contract, so rehabilitation work can be completed without interruption to the La Jolla Commons and Crossroads development projects and the continued integrity and reliability of the trunk sewer is maintained.

MBE/WBE Utilization: The Phase "A" Contract includes \$1,881,770 (15.73%) of the work to be performed by Black IPO, DBE. Change Order No. 1 allocates no additional work to DBE or DVBE firms.

FISCAL IMPACT:

This request is for \$433,000 and is available in Sewer Fund 41506, CIP-46-506.0, Pipeline Rehabilitation in the ROW & Easements - Phase A.

- * ITEM-140: Transfer of Funds from North Park Defensible Space to Pershing Portal and Hillcrest Streetscape Improvements.

(Greater North Park/Hillcrest Community Areas. District-3.)

CITY MANAGER'S RECOMMENDATION:

Adopt the following resolution:

(R-2003-439)

Authorizing the City Auditor and Comptroller to transfer an amount not to exceed \$54,129.32 in TransNet Livable Community/Economic Fund 30304, which is the remaining balance in CIP-39-221.0, North Park Defensible Space, to the following two CIP projects in the same geographical area of North Park: (1) \$40,000 to CIP-39-226.0, Pershing Portal, and (2) \$14,129.32 to CIP-39-213.0, Hillcrest Streetscape Improvement;

Authorizing the cancellation of North Park Defensible Space, CIP-39-221.0.

CITY MANAGER SUPPORTING INFORMATION:

This action would transfer \$54,129.32 of TransNet funds remaining in CIP-39-221.0 (North Park Defensible Space Project). The North Park Defensible Space project was part of the Livable Neighborhoods Program and was completed in coordination with other neighborhood projects. \$40,000 of the \$54,129.32 would be transferred to CIP-39-226.0 (Pershing Portal Project) to complete the permanent closure of Pershing Drive on the north side of the intersection of Upas Street. In order to increase neighborhood safety and security, lighted bollards, enhanced paving and landscaping improvements will be installed. The remaining amount of \$14,129.32 would be transferred to CIP-39-213.0 (Hillcrest Streetscape Improvement Project) as an additional funding needed for phase 2, which includes: sidewalk, curb, gutter, 2 new pop-outs, diagonal parking and street trees on University Avenue between Herbert Street and Normal Street.

FISCAL IMPACT:

Through this action, \$40,000 would be transferred to CIP-39-226.0 (Pershing Portal Project). Once this transfer has occurred, this project will be fully funded with a total project cost of \$210,000. The remaining \$14,129.32 would be transferred to CIP-39-213.0 (Hillcrest Streetscape Improvement Project), within Fund 30304, TransNet Livable Communities/Economic Needs Fund from CIP-39-221.0 (North Park Defensible Space Project), which would then be closed out.

Authorizing the City Auditor and Comptroller, upon advice from the administering departments to transfer excess budgeted funds, if any, to the appropriate reserves.

CITY MANAGER SUPPORTING INFORMATION:

The Mission Valley Branch Library is a new 19,760 sq. ft. branch library located at 2123 Fenton Parkway. The library consists of main reading rooms, community meeting rooms, a computer laboratory, a children's library, a staff section, and an audiovisual aids area.

On January 30, 2001, the City Council approved awarding a construction contract to Kvass Construction. The new Library is substantially completed and was opened on July 20, 2002. Funding is being requested now for construction change order work to enhance project accessibility, safety and security including pedestrian ramps, safety railings over glass panels, handrails, mechanical modifications and perimeter fencing.

FISCAL IMPACT:

The amount of \$175,000 is available in Developer Impact Fee (DIF) Fund No. 79529, Mission Urban Community for this purpose.

Authorizing the City Auditor and Comptroller to expend from CIP-35-082.0 an amount not to exceed \$285,000 for the chilled water line to the Main Library, and an amount not to exceed \$215,000 for engineering costs including City staff charges.

Subitem-B: (R-2003-649)

Declaring that the information contained in the final document, Mitigated Negative Declaration LDR-41-0980, including any comments received during the public review process, has been reviewed and considered by this Council and it is determined that no substantial changes or new information of substantial importance within the meaning of CEQA Guideline Section 15162 would warrant any additional environmental review in connection with the approval of the Third Amendment to Agreement Between the City of San Diego and a Joint Venture Between Rob Wellington Quigley Architects, Inc. and Tucker Sadler Noble Castro Architects, for design services associated with the San Diego New Main Library;

Directing the City Clerk to file a Notice of Determination [NOD] with the Clerk of the Board of Supervisors for the County of San Diego regarding the above action.

CITY MANAGER SUPPORTING INFORMATION:

In August 1996, after a rigorous selection process was conducted, the Mayor and Council approved the selection of a team of architects and engineers led by Rob Wellington Quigley, FAIA to design the proposed New Main Library on the Kettner site. In June 2000, the Mayor and Council reviewed several alternative sites and selected the Bay to Park site for the proposed New Main Library. The selection was conditioned on future CEQA review and studies of the site. The Bay to Park site is adjacent to the main intersection of the Park to Bay link, between 11th and 12th and J and K Streets in downtown San Diego. To complete these studies and the environmental documentation, the City Manager entered into an agreement with Rob Wellington Quigley, FAIA for \$175,000 in September 2000 which was followed by a Council approved First Amendment to Agreement for \$510,000 in October 2000. These contracts developed a portion of the schematic plans and validated the budget and the ability to implement the Library's program at the Bay to Park site.

In July of 2001 Council approved an additional \$1,000,000 for the Second Amendment to Agreement that assigned the contract to a Joint Venture between Rob Wellington Quigley Architects, Inc. and Tucker Sadler Noble Castro Architects, Inc. and will complete the schematic design of the library. The Third Amendment to Agreement will add \$1,500,000 to the contract so that the Joint Venture can continue the design through May 2003. This portion of the work will complete approximately half of the design development phase. This project will return to Council to request authorization for a future amendment, which will facilitate completion of design by Spring 2004.

FISCAL IMPACT:

The Third Amendment to Agreement increases the contract from \$1,685,000 to \$3,185,000. Funds for this purpose, \$1,500,000, are available in CIP-35-082.0, San Diego New Main Library. Additional \$285,000 is made available for the chilled water line to the Main Library, and an amount not to exceed \$215,000 is made available for engineering costs and City staff charges. The \$2 million appropriated is part of the \$16.9 million discussed under the Library System Improvements Program and the \$2 million will be reimbursed with the first bond issuance.
